

Find and join like-minded freedom fighters.

Form a group to go before your school boards and city councils, and have them meet regularly.

Find a platform to communicate with your group and hold protests before your board, and sign up to speak.

It's better if you can get in the building.

This shows unity.

Hold a peaceful sit in at the capitol.

Gather a large number from differing freedom groups all over your state and have the reps and senators speak as well as your group leaders.

Write letters to your Governor.

Find out who your patriot, constitutionalist Representatives and Senators are and contact them continually.

Ask them to join events you hold and to speak at the events.

Get them involved and listening to your concerns.

Last and most importantly,
pray and keep moving forward.

Let God direct your paths.

Don't ever give up,
don't ever back down and
know your efforts will never be
in vain.
